For Trubadur Showroom

A photograph of a grey, textured stone. On the left side of the stone, there is a white ceramic flower sculpture with multiple layers of petals. On the right side of the stone, there is a painted red flower. The text 'Moscow 2023' is overlaid in the center of the stone.

Moscow 2023

When I got back to Moscow from Italy, before I managed to get my workshop place, I was working at home, without a kiln.

Objects that I created, were then exposed at a restaurant of chinese cousine, and some were presented at an exhibition in

At my Workshop

Thank You!
